

The Power of Nine

*** Title IX** is the federal law that **prohibits sex discrimination** in all areas of education. It applies to women and men, girls and boys, staff and students in any educational institution or program receiving federal funds. It covers everything from athletics to transgender issues. This year's IBC luncheon will feature a **discussion panel with local Title IX Coordinators** who are working hard to ensure that every Ventura county student, teacher, and staff person is protected under Title IX.
